

# Britney Spears, This Kiss

There was a time when you were mine  
There was a time when you held me tight  
But now you aren't around me  
Boy I wish you could find me, oh

This kiss, this kiss, this kiss just  
Wants you again  
This kiss, this kiss, this kiss just  
Loves you, my friend

Now you're gone, you left me  
What's a girl do, so pressed, you see  
And right when I saw the door  
You walked in and I fell to the floor, yeah

This kiss, this kiss, this kiss just  
Wants you again  
This kiss, this kiss, this kiss just  
Loves you, my friend

Every day I wake up and you're not there, no, no  
It takes too much of me, I just can't spare  
So why, tell me why, why did you go away, away  
This girls gonna be all alone, so come back to me, come back to me

Oh, why did you go  
I feel so alone

This kiss, this kiss, this kiss just  
Wants you again  
This kiss, this kiss, this kiss just  
Loves you, my friend
