

Britney Spears, Touch Of My Hand (Bill Hamel Remix)

I'm not ashamed of the things that I dream
I find myself flirting with the verge of obscene
Into the unknown, I will be bold
I'm going to places I can be out of control

And I don't want to explain tonight
All the things I've tried to hide
I shut myself out from the world so I
Can draw the blinds and I'll teach myself to fly

I love myself
It's not a sin
I can't control what's happenin'

'Cause I just discovered
Imagination's taking over
Another day without a lover
The more I come to understand
The touch of my hand

From the small of my back and the arch of my feet
Lately I've been noticin' the beautiful me
I'm all in my skin and I'm not gonna wait
I'm into myself in the most precious way

And I don't want to explain tonight
All the things I've tried to hide
I shut myself out from the world so I
Can draw the blinds and I'll teach myself to fly

'Cause I just discovered
Imagination's taking over
Another day without a lover
The more I come to understand
The touch of my hand

There's a world undefined
And my body is mine
I won't be left behind
I'm already here

'Cause I just discovered
Imagination's taking over
Another day without a lover
The more I come to understand
The touch of my hand

'Cause I just discovered
Imagination's taking over
Another day without a lover
The more I come to understand
The touch of my hand
