Baby, can't you see
I'm calling
A guy like you
Should wear a warning
It's dangerous
I'm fallin'

There's no escape
I can't hide
I need a hit
Baby, give me it
You're dangerous
I'm lovin' it

Too high
Can't come down
Losing my head
Spinning 'round and 'round
Do you feel me now

With a taste of your lips
I'm on a ride
You're toxic
I'm slipping under
With a taste of poison paradise
I'm addicted to you
Don't you know that you're toxic
And I love what you do
Don't you know that you're toxic

It's getting late
To give it up
I took a sip
From my devil cup
Slowly
It's taking over me

Too high
Can't come down
It's in the air
And it's all around
Can you feel me now

With a taste of your lips
I'm on a ride
You're toxic
I'm slipping under
With a taste of poison paradise
I'm addicted to you
Don't you know that you're toxic
And I love what you do
Don't you know that you're toxic

Don't you know that you're toxic

Taste of my lips and having fun

With a taste of your lips
I'm on a ride
You're toxic
I'm slipping under
With a taste of poison paradise
I'm addicted to you
Don't you know that you're toxic

And I love what you do
Don't you know that you're toxic

With a taste of your lips
I'm on a ride
You're toxic
I'm slipping under
With a taste of poison paradise
I'm addicted to you
Don't you know that you're toxic
And I love what you do
Don't you know that you're toxic

I'm intoxicated now
I think you'll love it now
I think I'm ready now
I think I'm ready now
I'm intoxicated now
I think you'll love it now
I think I'm ready now
