

Britney Spears, When I Get You Home

Oh yeah, yeah, yeah (x3)

CHORUS

When I get you home
Babe, that's when the fun starts
It's just me and you
You and me
Our own private party
When I get you home

I saw you at the club, oh yeah
In a corner by yourself
I chatted you up and, oh
We grinded, yeah babe
I can't wait, I can't wait...

CHORUS- repeat

(spoken)
Here's what we're gonna do.
We're gonna get close up and personal.
Horizontal dance...(laughs)
Don't be scared...I won't bite...

CHORUS- repeat x2

Oh baby, baby, when I get you home...
(moans)
