

Broken Iris, On My Own

A new taste shall commence when you transpose

Intending to... begin

Giving In

To those who've passed before and died...upholding

Faith

For more

Inside they tore

Just keep my mind burning strong

Into the gaping emptiness I'll go

On my own

On my own

On my own

On my own

Disgracefully tied to perversions I'd much

Rather set aside and leave behind

The honor brought by those has faded slowly

On its way

To now

As if it were in vain

Just keep my mind burning strong

Into the gaping emptiness I'll go

On my own

On my own

On my own

On my own
