

Brooke, That's Rich (Irlandia - Eurowizja 2022)

Take your mirror off the wall
Ain't you gettin' bored of your reflection
I'm tired of dodging all your calls
You wanna be the centre of attention
I'm gettin' sick of ya now
Stop sending flowers
I'll just burn them all
you'll cry for hours
Always putting me down
Well I got news for you
Ya say I'm usin' ya now
That's rich
When it's coming from you
That's rich
Cos I got nothing to prove
That's rich
You think i dress up for you?
That's rich
BYE BYE fool (ooww!)
Used to think I need your help
To feel good turns out i do it better
Think Maybe you should please yourself
Cos I am over you, i'll see ya never
I'm gettin' sick of ya now
Stop sending flowers
I'll just burn them all
you'll cry for hours
Always putting me down
Well I got news for you
Ya say I'm usin' ya now
That's rich
When it's coming from you
That's rich
Cos I got nothing to prove
That's rich
You think i dress up for you?
That's rich
BYE BYE fool (ooww!)
Middle 8
I think it's funny how you miss
When you never knew me
You were a lazy lover
I moved on to ones that move me
Loser lose your attitude
I'm doing good that's on me
All glowed up, yeah that's on me
You see me now, you want me
Bye Bye
Cause I don't need a lazy lover
Bye Bye
No I don't want to meet your mother
Bye Bye
Don't cry I'm sure you'll meet another
And you'll tell her that you love her
That's rich
When it's coming from you
That's rich
I know all of your moves
That's rich
You think i dressed up for you?
That's rich
That's rich
Yeah that's rich
When It's coming from you

That's rich
BYE BYE fool (ooww!)
