

BROTHERS OF METAL, Chain Breaker

Dark and ancient whispers
Echoes through the night
Tales of desolation
As the end of time is drawing night

Bringer of destruction
The world is growing strong
He was locked in godly chains
That wouldn't last for long

The leash could not domesticate
The violent beast within
And when the bane of Odin howls
The eternal night begins

When the twines that hold him start to yield before his might
The day will come when Skoll and Hati devours all our light
