

# Bruce Springsteen, Human Touch

You and me we were the pretenders  
We let it all slip away  
In the end what dont surrender  
Well the world just strips away

Girl aint no kindness in the face of strangers  
Aint gonna find no miracles here  
Well you can wait on your blessings my darlin  
But I got a deal for you right here

I aint lookin for prayers or pity  
I aint comin round searchin for a crutch  
I just want someone to talk to  
And a little of that human touch  
Just a little of that human touch

Aint no mercy on the streets of this town  
Aint no bread from heavenly skies  
Aint nobody drawin wine from this blood  
Its just you and me tonight

Tell me in a world without pity  
Do you think what Im askin too much ?  
I just want something to hold on to  
And a little of that human touch  
Just a little of that human touch

Oh girl that feeling of safety you prize  
Well it comes with a hard hard price  
You cant shut off the risk and the pain  
Without losin the love that remains  
Were all riders on this train

So you been broken and you been hurt  
Show me somebody who aint  
Yeah I know I aint nobodys bargain  
But hell a little touchup  
And a litte paint...

You might need somethin to hold on to  
When all the answers they dont amount to much  
Somebody that you can just talk to  
And a little of that human touch

Baby in a world without pity  
Do you think what Im askin too much ?  
I just want to feel you in my arms  
And share a little of that human touch...
