

# Bruce Springsteen, Nightshift

Marvin, he was a friend of mine  
And he could sing his song  
His heart in every line  
Marvin, sang of the joy and pain  
He opened up our minds  
I still can hear him say  
Oh talk to me, so you can see, what's goin' on  
Say you will, sing your songs, for evermore (for evermore)

Gonna be some sweet sounds  
Comin' down, on the nightshift  
I bet you're singing proud  
Oh, I'll bet you'll pull a crowd

Gonna be a long night  
It's gonna be alright, on the nightshift  
You found another home  
I know you're not alone, on the nightshift

Jackie, hmm, hey what you doing now  
It seems like yesterday, when we were working out  
Jackie, you set the world on fire  
You came and gifted us  
Your love, it lifted us higher and higher  
Keep it up, and we'll be there at your side  
Oh, say you will, sing your songs  
For evermore, evermore

Gonna be some sweet sounds  
Comin' down, on the nightshift  
I bet you're singing proud  
Oh, I'll bet you'll pull a crowd

It's gonna be a long night  
It's gonna be alright, on the nightshift  
You found another home  
I know you're not alone, on the nightshift

Gonna miss your sweet voice, that soulful noise, on the nightshift  
We'll remember you, your song is coming through  
Gonna be a long night, it's gonna be alright  
On the nightshift (on the nightshift)  
You found another home  
I know you're not alone, on the nightshift  
You found another home  
I know you're not alone, on the nightshift
