

Bruce Willis, Young Blood

I saw her standin on the corner
A yellow ribbon in her hair
All my boys could not help cryin
Looky there, looky there
Thats tough, shes diggin me
Young blood, yes, it is
Young blood
Young blood
Cant get you outta my mind
Just one look and I was captured
I tried to walk but I was lame
Just could not help myself from shoutin
Whats your name, whats your name
Now looky here, girl, come here, baby
Young blood
Young blood
Young blood
Cant get you outta my mind
What crazy stuff, she looked so tough
I had to follow her all the way home
Then things went bad, I met her dad
Whats he say, boys? Youd better leave my daughter alone
I couldnt sleep a wink for tryin
I saw the risin of the sun
All night long my heart was cryin
Shes the one, shes the one
I saw her first, she wants me
Young blood, yes, it is
Young blood
Young blood
Cant get you outta my mind
What crazy stuff, she looked so tough
I had to follow her all the way home
Then things went bad, I met her dad
Look, get your hands off my daughter
Before I play a little Hank Aaron melody on your head
Ya understand
I couldnt sleep a wink for tryin
I saw the risin of the sun
All night long my heart was cryin
Shes the one, shes the one
Lets take a walk, sugar, just get your car
Young blood, yes, it is
Young blood
Young blood
Cant get you outta my mind
