

Bruno Mars, Love's Train (Con Funk Shun Cover)

One, two

Warm night, can't sleep, too hurt, too weak, gotta call her up
Dial that number, no one answers 'til it's two o'clock

And if by chance, you let me come over
Out on the street, I wanna see you, baby
And if by chance, you let me just hold ya
I'm down on my knee, I wanna please you, baby
Ooh, I'll be your righteous lover

She said, "Sugar, honey, darlin'"
I really wanna see you, too
(I bet you do, bet you do, bet you do)
It's just that someone's over and, baby
I really wanna be with you

But if by chance you let me just hold ya
I'm callin', I'm free, I wanna see you, baby
Ooh, when in need, you said you would be here
And you hold the key to my very being, baby, I
(I love you, baby) I love you, baby

If you are that special lover
And love keeps you tied to another
That's the way it goes on love's train
Sometimes, heartstrings can be broken
But you just have to keep on goin'
That's the way it goes on love's train

On a warm night, lady wants her baby, so she calls him up
Ah, when it ring-a-ling it only mean one thing, come on
Dial that number, no one answers 'til it's two o'clock

And if by chance, you just come on over, girl
I'm sick and, please, I've got to see you, baby
Ooh, when in need, you said you would be right here
Well, I'm in need, I need you to please believe, please believe
I love you, baby

If you are that special lover (Woo)
And love keeps you tied to another
That's the way it goes on love's train
You don't need no, you don't need no ticket to ride
Sometimes, heartstrings can be broken
But you just have to keep on goin'
That's the way it goes on love's train
Listen, baby, listen, baby
If deep sorrow, you've been soakin'
But you just have to keep on strokin'
That's the way it goes on love's train
Love's a hurtin' thang, yo, it makes you want to cry, come on
If you are that special lover
And love keeps you tied to another
That's the way it goes on love's train

Oh
