

# Bruno Mars, Our First Time

[Intro: x2]

Don't it feel good babe  
Don't it feel good baaby  
Cause, it's so brand new babe  
It's so brand new baaby.

[Verse 1:]

And now now here we are (here we are)  
In this big old empty room  
Staring at each other, who's gonna make the first move?  
Been doing our thing for a minute  
And now both our hearts are in it  
The only place to go, is all the way (ah, whoo)

[Break:]

Is that alright?  
Is that okay?  
Girl, No need to be nervous  
Cause, I, got, you, all, night  
Don't you worry bout a thing (no no no)

[Chorus:]

Just go with it, go with it, go with it (and I will go real)  
Slow with it, slow with it  
It's our first time  
Go with it, go with it, go with it (and I will go real)  
Slow with it, slow with it  
It's our first time

[Verse 2:]

Clothes are not required, for what we got planned  
Ooo girl you're my desire, your wish is my command  
Treat you like a princess, ooh girl you're so delicious  
Like ice cream on a sunny day, gonna eat you before you melt away (babe)

[Break:]

Is that alright?  
Is that okay?  
Girl, No need to be nervous (no no no, no ooh)  
Cause, I (I've), got (got), you (you), all, night  
Don't you worry bout a thing (no no no)

[Chorus]

[Intro x2]

Ooooh ooh baaby!

[Chorus]
