

Bruno Mars, Versace On The Floor

Let's take our time tonight, girl
Above us all the stars are watching
There's no place I'd rather be in this world
Your eyes are where I'm lost in
Underneath the chandelier
We're dancing all alone
There's no reason to hide
What we're feeling inside
Right now

So baby let's just turn down the lights
And close the door
I love that dress, but you won't need it anymore
No you won't need it no more
Let's just kiss 'til we're naked, baby

Versace on the floor!
Take it off for me, for me, for me, for me, now, girl
/2x

I unzip the back to watch it fall
While I kiss your neck and shoulders
No, don't be afraid to show it off
I'll be right here, ready to hold you
Girl you know you're perfect from
Your head down to your heels
Don't be confused by my smile
Cause I ain't ever been more for real, for real

So just turn down the lights
And close the door
I love that dress, but you won't need it anymore
No you won't need it no more
Let's just kiss 'til we're naked, baby

Versace on the floor!
Take it off for me, for me, for me, for me, now, girl
/2x

Dance

It's warmin' up
Can you feel it?
/2x

It's warmin' up
Can you feel it, baby?
It's warmin' up

Seems like you're ready for more, more, more
Let's just kiss 'til we're naked

Versace on the floor!
Hey, babe, take it off for me, for me, for me, for me, now, girl
/2x

Versace on the floor
Floor, floor
