

Bryan Adams, Blessing In Disguise

Are you lonely - are you crying,
Are those teardrops in your eyes,
Is it more blues - is it bad news,
Is it a curse, or a blessing in disguise?

Did you leave him - do you love him,
Have you said your - said your last goodbyes,
Is it over - hey, are you sorry,
Could it be a blessing in disguise?

It's the scars that make you stronger,
It's the hard times that make you wise,
It's the sweet things only time brings,
That arrive like a blessing in disguise.

Clouds roll by - and bring the rain,
Tears will dry - and ease the pain,

Ohh are you lonely - are you crying,
Are those teardrops - teardrops in your eyes,
Ohh is it more blues - is it bad news, yeah,
Is it a curse or a blessing in disguise,
Is it a curse or a blessing in disguise,
Ohh is it a curse or a blessing in disguise.
