

# Bryan Adams, Heat Of The Night

I was caught in the crossfire of a silent scream  
Where one man's nightmare is another man's dream  
Pull the covers up high and pray for the mornin' light  
Cause you're livin' alone in the heat of the night

Met a man with a message from the other side  
Couldn't take the pressure - had to leave it behind  
He said it's up to you  
You can run or you can fight - (ya that's right)  
Better leave it alone in the heat of the night

In the heat of the night they'll be comin' around  
They'll be lookin' for answers they'll be chasin' you down  
In the heat of the night  
(Where you gonna hide when it all comes down)  
(Don't look back don't ever turn around)

Had to pay the piper to call the tune  
Said he'd be back someday - said he'd be back real soon  
Pull the shades down low - you'll know when the time is right  
When you're lyin' alone in the heat of the night
