

Bryan Adams, How Do Ya Feel Tonight

is there anybody out there?
anyone that's loved in vain
anyone that feels the same
is there anybody waiting?
waiting for a chance to win
to give it up and start again
we all need something new
something that is true
and someone else to feel it too
i feel so high - no one else would know it
i don't know why i feel the way i do
i can't let go - and i'm not scared to show it
cuz being here feels right
tell me - how do you feel tonight?
is there anybody out there?
anyone that can't explain
anyone that feels no pain
is there anybody dreaming
dreaming of a better day
when everything goes your way
we all need something new
something that is true
and someone else to feel it too
someone just like you
