

Bryan Adams, I Ain't Losing The Fight

How come the best ones are always taken,
What I see when I see ya - Is love in the makin',
Something about timin', something about fate,
Gotta go with the feeling - Not a moment to waste.

Bring it on bring it on - I was born ready,
I'm a son of a strong man - I'm rock steady,
Everything you throw - I can see it coming,
Ain't gonna be no TKO just a lot of lovin', yeah.

'cause opposites attract this way,
If day is night and night is day,
If loving you is wrong then babe - Wrong is right,
I ain't losin' the fight.

Take it on, take it on, take it on - No second guessing,
Sressin' up a situation - We should be undressing,
Hear the bell ringing - Seconds out round two,
Got my eyes on the prize, and the prize is you.

'cause opposites attract this way,
If day is night and night is day,
If loving you is wrong then babe - Wrong is right,
I ain't losin' the fight.

'cause opposites attract this way,
If day is night and night is day,
If loving you is wrong then babe - Wrong is right,
I ain't losin' the fight.

'cause opposites attract this way,
If day is night and night is day,
If loving you is wrong then babe - Wrong is right,
I ain't losin' the fight.
