

Bryan Adams, Inside Out

the biggest lie you ever told - your deepest fear 'bout
growin' old
the longest night you ever spent - the angriest letter you
never sent
the boy you swore you'd never leave - the one you kissed on
new years's eve
the sweetest dream you had last night -- your darkest hour,
your hardest fight

i wanna know you - like i know myself
i'm waitin' for you - there ain't no one else
talk to me baby - scream and shout
i want to know you - inside out
i wanna dig down deep - i wanna lose some sleep
i wanna scream and shout - i wanna know you inside out
i wanna take my time - i wanna know your mind
ya know there ain't no doubt - i wanna know you inside out

the saddest song you ever heard - the most you said with
just one word
the loneliest prayer you ever prayed - the truest vow you
ever made
what makes you laught, what makes you cry
what makes you mad, what gets you by
you highest hight, your lowest low - these things I want to
know

i wanna know you - like i know myself
i'm waitin' for you - there ain't no one else
talk to me baby - scream and shout
i want to know you - inside out
i wanna dig down deep - i wanna lose some sleep
i wanna scream and shout - i wanna know you inside out
i wanna take my time - i wanna know your mind
ya know there ain't no doubt - i wanna know oyu inside out
i wanna know your sould - i wanna lose control
c'mon n' let it out - i wanna know you inside out
ya gotta dig down deep - i wanna lose some slieep
i wanna scream and shout - i wanna know oyu inside out
tell me everything...
