

Bryan Adams, Open Road

I'm sitting at the wheel
I got a green light
Not afraid of nothin' cuz heart and soul
I'm built for life
So let the engine roar
Push the pedal down
I want the white lines on the highway
To lead me out of town
I'm rolling on and on and on
Who knows where I'm goin'?
Life is an open road - it's the best story never told
It's an endless sky - it's the deepest sea
Life is an open road to me
Life is an open road to me
I got headlights to guide me thru the night
I got the window down and the radio playing
It makes me feel alive
