

# Bryan Adams, Oxygen

My hands are shakin' - My heart skips a beat,  
I can't focus - I can't speak,  
It's like i'm underwater,  
I'm going deep - I need you around me.

Oxygen - Every moment,  
Oxygen - Everyday,  
I can't live without it - Don't take it away,  
I need to breath you in - Like oxygen.

Losin' cohesion - I'm losin' my mind,  
I'm tryin' to resist it - To stay out of the light,  
It's like I'm drownin' - In the deepest sea,  
Well I need you around me.

Oxygen - Every moment,  
Oxygen - Everyday,  
I can't live without it, no - Don't take it away,  
I need to breath you in - Like oxygen.

My pulse racin' - My heads in a spin,  
I need to see you darlin' - 'cause you're my oxygen.

Oxygen every moment - Oxygen everyday,  
I can't live without it, no - Don't take it away,  
I need to breath you in - Over and over again,  
Like oxygen.

Every moment - Everyday,  
Yeah, I need you around me,  
Oxygen every moment - Oxygen everyday,  
Just like oxygen.
