

Bryan Adams, Please Stay

we shared a special moment
I think you found it too
I know you want more
right now
this is the best I can do

If I give too little too late
how was I it know
I don't wanna give you up
it don't wanna let you go

so please stay
I just need a little time
and a little help to find
all the words to say
please stay
before you walk in our the door
I know yu want more
so give me one more day
please stay

you were looking after you
I was looking after me
sometime is hard to know the difference
between what we want and what we need
I don't know how to say right things
but I know how I feel
give me one more chance
maybe we can make this real

please stay
I don't wanna hear you say goodbye
there's a million reasons why
we shouldn't end this way
please stay
don't wanna see you go
I need to let you go
some things are hard to say
so please stay
please stay
don't want you to walk away
please stay
it shouldn't end in this way
I know you want more
so give me one more day
please stay
