

# Bryan Adams, Remembrance Day

For our king and our country and the promise of glory  
We came from Kingston and Brighton to fight on the front line

Just lads from the farms and boys from the cities  
Not meant to be soldiers we lay in the trenches

We'd face the fighting with a smile - or so we said  
If only we had known what danger lay ahead

The sky turned to grey as we went into battle  
On the fields of Europe young men were fallin'

I'll be back for you someday - it won't be long  
If I can just hold on 'til this bloody war is over

The guns will be silent on Remembrance Day  
There'll be no more fighting on Remembrance Day

By October of 18 Cambrai had fallen  
Soon the war would be over and we'd be returnin'

Don't forget me while I'm gone far away  
Well it won't be long 'till I'm back there in your arms again

One day soon - I don't know when  
You know we'll all be free and the bells of peace will ring again

The time will come for you and me  
We'll be goin' home when this bloody war is ended

The guns will be silent on Remembrance Day  
We'll all say a prayer on Remembrance Day

On Remembrance Day - say a little prayer  
On Remembrance Day

Well the guns will be silent  
There'll be no more fighting  
Oh we'll lay down our weapons  
On Remembrance Day
