

# Bryan Adams, Vanishing

People all over build on solid ground  
They build it up and then they tear it down  
Take it or leave it who cares how much it costs  
They'll never know how much is gone until it's lost  
'til it's vanishing

Think I hear thunder ain't no sign of rain  
Danger signs flashin' in my brain  
Ridin' on empty - lights are turnin' red  
There ain't no lovin' left in this empty bed  
Ya it's vanishing

We're sittin' on treasure call it sacred ground  
Why look for more babe when it's right here to be found

Never gonna lose ya - ya know I'm gonna fight  
This thing's worth saving girl - ya know we'll make it right

If it takes all night - gonna swim your sea  
Gonna sail your ocean - gonna shake your tree  
Gonna climb your mountain - gonna shine your light  
Wanna row your river darlin' - if it takes all night

People all over build mansions in the sky  
They choke on smoke and watch their dreams go by  
When the phone stops ringin' love has surely died  
But the grass is greener babe on the other side

Never wanna lose ya - ya know I'm gonna fight  
Never said it'd be easy girl - ya know we'll make it right

If it takes all night - gonna swim your sea  
Gonna sail your ocean - gonna shake your tree  
Gonna climb your mountain - gonna shine your light  
Wanna row your river darlin' - if it takes all night

You're gonna miss me when I'm gone  
Whatcha gonna do without a shoulder to lean on  
You're gonna miss me when I'm gone  
Never wanna lose ya - ya know we gotta fight  
Never said it'd be easy girl - ya know we'll get it right..  
If it takes all night
