

Bryan Ferry, Baby i don't care

You dont like crazy music
You dont like rockin bands
You just wanna go to a movie show
And sit there holdin hands
Youre so square
But baby, I dont care
You dont like hot rod racin
Or drivin late at night
You just wanna park where its nice and dark
You just wanna hold me tight
You so square
But baby I dont care
You dont know any dance steps that are new
But no one else can love like you do
I dont know why my heart flips
I only know it does
I wonder why I love you baby
I guess its just because
Youre so square
Baby I don't care
