

bryska, Burn This Love (bryska x HAUZ)

Walking through the night
Counting all of my steps
So far from love
From you and all we ever had
Without your smile
And the feeling of your heartbeat next to mine

You opened up the door
cause you know what you want but you don't and I can't believe that you want to, believe me,
I can't take it anymore
Please just

Let me go tonight
You won't stop me when I am running wild
Guess I broke your heart
You don't own me even if you try
You won't stop me now
Let me go and I promise
I do my best and try
To burn your love alive

You weren't there
You weren't ready for goodbye
I am begging you just please don't cry
Cause I don't care
I didn't give you all this love
For you to waste it so

You opened up the door
cause you know what you want but you don't and I can't believe that you want to, believe me,
I can't take it anymore
Please just

Let me go tonight
You won't stop me when I am running wild
Guess I broke your heart
You don't own me even if you try
You won't stop me now
Let me go and I promise
I do my best and try
To burn your love alive

Let me go
And I promise
Let me go
You won't stop me
Let me go
You won't stop this

I do my best and try
To burn your love this love alive

Let me go tonight
Burn this love alive

Let me go tonight
You won't stop me
You won't stop me
You can't stop this
