Puff Daddy & Faith Evans: I'll Be Missing You

Yeah... this right here (tell me why)

Goes out, to everyone, that has lost someone

That they truly loved (cmon, check it out)

Seems like yesterday we used to rock the show

I laced the track, you locked the flow

So far from hangin on the block for dough

Notorious, they got to know that

Life aint always what it seem to be (uh-uh)

Words cant express what you mean to me

Even though youre gone, we still a team

Through your family, Ill fulfill your dream (thats right)

In the future, cant wait to see

If you open up the gates for me

Reminisce some time, the night they took my friend (uh-huh)

Try to black it out, but it plays again

When its real, feelings hard to conceal

Cant imagine all the pain I feel

Give anything to hear half your breath (half your breath)

I know you still living your life, after death

Every step I take, every move I make

Every single day, every time I pray

Ill be missing you

Thinkin of the day, when you went away

What a life to take, what a bond to break

Ill be missing you

I miss you big

Its kinda hard with you not around (yeah)

Know you in heaven smilin down (eheh)

Watchin us while we pray for you

Every day we pray for you

Til the day we meet again

In my heart is where Ill keep you friend

Memories give me the strength I need (uh-huh) to proceed

Strength I need to believe

My thoughts big I just cant define (cant define)

Wish I could turn back the hands of time

Us in the 6, shop for new clothes and kicks

You and me taking flicks

Makin hits, stages they receive you on

I still cant believe youre gone (cant believe youre gone)

Give anything to hear half your breath (half your breath)

I know you still living youre life, after death

Every step I take, every move I make

Every single day, every time I pray

Ill be missing you

Thinkin of the day, when you went away

What a life to take, what a bond to break

Ill be missing you

somebody tell me why

On that morning

When this life is over
I know
I'll see your face

Every night I pray, every step I take
Every move I make, every single day
Every night I pray, every step I take
every day that passes
move I make, every single day
is a day that I get closer
to seeing you again
Every night I pray, every step I take
we miss you big... and we won't stop
Every move I make, every single day
cause we can't stop... that's right
Every night I pray, every step I take
Every move I make, every single day
we miss you big
