

# Buck Owens, Down, Down, Down

I'm goin' down, down, down,  
Goin' down, down, down  
Got nobody to love me now  
I'm a sorrow bound bound bound  
'Cause you're not around  
Since you left I'm a goin'  
Down, down, down.

Well I never thought my life would be so lonely  
I never thought my head would hang so low  
Well I love you my darling and you only  
Don't know where you are but that's where I'd like to go.

I'm goin' down, down, down,  
Goin' down, down, down  
Got nobody to love me now  
I'm a sorrow bound bound bound  
'Cause you're not around  
Since you left I'm a goin'  
Down, down, down.

--- Instrumental ---

Well, quarrels so many was your reason  
Could it be you never gave us time  
For in your heart you desire a new one  
If so then your heart is not with mine.

I'm goin' down, down, down,  
Goin' down, down, down  
Got nobody to love me now  
I'm a sorrow bound bound bound  
'Cause you're not around  
Since you left I'm a goin'  
Down, down, down.

Since you left I'm a goin' down, down, down...
