

Buckingham Nicks, Without A Leg To Stand On

I got nothin' but time
No time for living
I've been everywhere
It's all the same
I just need somebody
That I can lean on
Nobody wants to keep you
When you're in love with the game

But you know that I can't let go
And there ain't nothin' left to show
Got the feeling I can't say no without a
leg to stand on

There's so many fine people
That I believe in
They don't care where I'm going
It's not their show
I got nothin' but time
No time for living
I used to be somebody
But that was so long ago

Look around but you won't see me
Just a picture of what I used to be
There ain't nothin' to set me free without a
leg to stand on

But you know that I can't let go
And there aint nothin' left to show
Got the feelin' I can't say no
Without a leg to stand on
