Stayin' at home waitin' for you  
Just won't get it 'cause you say we're through.

I'm lookin' for someone to love  
Well if you're not here my baby I don't care  
Because I'm lookin' for someone to love

Playin' the field all the day long  
Since I found out that I was wronged.

Caught myself thinkin' of you  
You can't love me and another one too.

Drunk man street car  
foot slipped there you are.
