

Buffy Sainte-Marie, Darling Don't Cry

I met him on the powwow trail
He was singing and I was a dancer
To the Heartbeat Drum
Heartbeat Drum - heyo heya

Long summer nights
Falling in love
Don't ever want to part,
don't ever wanna say goodbye

Darling don't cry
When I leave the USA
If you like I'll take you home
When I go back to Canada
hey ya, hey ya...
