

# Buffy Sainte-Marie, I'm Going Home

Heaven isn't so far away as people say  
I got a home high in my heart  
Heaven is right where I come from; I never throw it away  
I know the place and I'm going home  
I'm going home  
I'm going home

See up there, it's not the same  
They know your name  
And I'm not ashamed to need it I'm going home  
I'm going home  
I'm going home

You keep on knocking but  
I'm not coming out of this state I'm in  
I'm travellin' right, I'm gonna get there soon  
I'm standing up praying, I'm singing

Saying "Heyo ha ha heyo ha hey ya"  
I know the way and I'm going home.  
I'm going home  
I'm going home

That's where the heart can rest  
The best is there  
And only a fool would leave it. I'm going home  
I'm going home  
I'm going home  
I'm going home

I been around, I been to town  
Hey, where you think I learned right from wrong  
And I'm going home  
I'm going home
