

# Bumcello, Wet

You've showed me how to cry  
You've opened up my mind  
Now, I'm never forget  
Inside I'm wet  
We're all wet inside  
We're all wet inside

You've showed me how to live  
And how to forgive  
Now never forget  
Inside I'm wet  
We're all wet inside  
We're all wet inside

We're all wet inside  
We're all wet inside
