

Burna Boy, For My Hand (feat. Ed Sheeran)

I wanna be in your life until the night is over
I want to hold you so tight
So tight come in closer
It's been a hell of a ride
For every single moment
You were there by my side
Whenever I'm broken you make me feel whole
Whenever I'm lonely you there for my soul
Wherever you are girl that's where I call my home
Whenever you doubt it I'll be letting you know
Ohhh
Girl I want to be dancing with you forever
You see through the storm and take me as I am
Baby it's magic anytime that we're together
I make I just love you hold you for my hand
Hold you for my hand, my hand, hand hand
Hold you for my hand
Hold you for my hand
Oh I'm alone again
Hear my love is burning baby feels like time is frozen babe
The night is for us
I feel alone again
Every moment is calling ye
Feelings I been holding in
It must be love
Whenever I'm broken you make me feel whole
Whenever I'm lonely you there for my soul
Wherever you are girl that's where I call my home
Whenever you down here I'll be letting you know
Ohhh
Girl I want to be dancing with you forever
You see through the storm and take me as I am
Baby it's magic anytime that we're together
I make I just love you hold you for my hand
Hold you for my hand, hand hand
Hold you for my hand
Hold you for my hand
Hold you for my hand, hand hand
Hold you for my hand
Hold you for my hand
I wanna be in your life until the night is over
I want to hold you so tight
So tight come in closer
I wanna be in your life until the night is over
until the night is over
until the night is over
