## Bush, Adrenaline

You don't feel the pain...

Too much is not enough Nobody said this stuff makes any sense We're hooked again

The Point of no return See how the buildings burn Light up the night Such pretty sight

[Chorus]

Adrenaline keeps me in the game
Adrenaline you don't even feel the pain
Wilder than your wildest dreams
When you're going to extremes
It takes adrenaline
(You don't feel the pain)

Sail through an empty night It's only you and I who understand, There is no plan

Get closer to the thrill Only time can kill What's in your eyes Is so alive

[Chorus]

Adrenaline keeps me in the game
Adrenaline you don't even feel the pain
Wilder than your wildest dreams
When you're going to extremes
It takes adrenaline

Run through the speed of sound Every thing slows you down And all color that surrounds you Are bleeding to the walls All the things you really need Just wait to find the speed Then you will achieve Escape velocity

Too much is not enough Nobody gave it up Im not the kind To lay down and die

Adrenaline keeps me in the game Adrenaline you don't even feel the pain Wilder than your wildest dreams When you're going to extremes It takes adrenaline

Adrenaline
Screaming out your name
Adrenaline
you don't even feel the pain
Wilder than your wildest dreams

When you're going to extremes It takes adrenaline

## (Adrenaline)

You don't even feel the pain You don't even feel the pain I'm going to extremes There is nothing in between You don't even feel the pain You don't even feel the pain You don't even feel the pain You don't even feel the pain
