

# Bust, Psycho Girl

Shes so it, it scares me,  
I don't think, she likes me,  
And thinking of her name..  
It's driving me insane!

(Chorus)

She's my psycho girl, my psycho girlfriend,  
Everything I say, she takes it the wrong way,  
She's my psycho girl, my living nightmare,  
She's everything I need, but I can't stand her.  
I can't change, her thinking,  
But she's so good-looking,  
Thinking of her name..  
It's driving me insane!

(Chorus)

She's my psycho girl, my psycho girlfriend,  
Everything I say, she takes it the wrong way,  
She's my psycho girl, my living nightmare,  
She's everything I need, but I can't stand her.  
We spent the night in... we started fighting,  
since then, its never been the same,  
Thinking of her name..  
It's driving me insane!

(Chorus)

She's my psycho girl, my psycho girlfriend,  
Everything I say, she takes it the wrong way,  
She's my psycho girl, my living nightmare,  
She's everything I need, but I can't stand her.

She's my psycho girl, my psycho girlfriend,  
Everything I say, she takes it the wrong way,  
She's my psycho girl, my living nightmare,
