

# Busta Rhymes, Slide

Oh, y'all niggas actin' like we ain't have the seasoning still?  
Y'all niggas is actin' like we ain't still feeding the streets the full course meal?  
Fuck the appetizer, fuck the hors d'oeuvre  
Y'all thought we couldn't get the club back?  
Watch yourself, I know  
Watch yourself, I know  
Nigga, I own the lease of the club, nigga (Did I stutter?)  
I know  
Wa-wa-watch yourself  
Watch yourself, I know  
Watch yourself, I know  
Test move, you told me to skate on 'em? (Did I stutter?)  
I know  
(Ted Smooth, straight face, you remember)  
Wa-wa-watch yourself

Slide (Ayy)  
Watch yourself, I know  
Watch your step  
Watch yourself, I know  
Slide (Did I stutter? Ayy)  
I know  
Wa-wa-watch yourself  
Slide (Ayy)  
Watch yourself, I know  
Watch your step

Wa-wa-watch yourself

Back to causing another cardiac  
Wearing Louis while sipping some Louis Cognac  
I know you vexed how I'm making your little shorty act  
Still on the corner, my nigga, you really corny, black  
Ayo, Teddy, you really brought back  
It's criminal how you called me to get up on a track  
In the club, we throwin' another rack  
Bitch, I'm the nicest, you know it's a motherfuckin' fact  
Yeah, what we doin'? What we doin'? What we doin', nigga?  
Wash you niggas just like a laundromat  
And flood the scene, they conveniently get 'em on the crack

(Ayy)  
Watch yourself, I know  
Watch your step  
Watch yourself, I know  
Slide (Did I stutter? Ayy)  
I know  
Wa-wa-watch yourself  
Slide (Ayy)  
Watch yourself, I know  
Watch your step  
Watch yourself, I know  
Slide (Did I stutter? Ayy)  
I know  
Wa-wa-watch yourself

'Nother season, another heart attack  
Kill every country, no need to look at the almanac  
Throw the heat in the street, you see I'm the quarterback  
Ayy, homie cannot believe me, he ain't gon' wanna scrap  
I'm on my Biggie with Timberlands and a lumberjack  
With illest bangers, I'm hitting you with another batch

See I'm the problem whenever he hear me on a track  
I fuck 'em up, decorate they plate with another plaque  
Suit and civil, how niggas wanna act  
See, I'm the nicest, in case you needed another fact  
Don't get caught up inside another trap  
See how we comin' and givin' you all another slap

(Ayy)

Watch yourself, I know  
Watch your step  
Watch yourself, I know  
Slide (Did I stutter? Ayy)  
I know  
Wa-wa-watch yourself  
Slide (Ayy)
