Grip the 5th hit you in your shit right now
Make room my squad moving big right now
Stack chips, crib looking sick right now
Chicks I switch em like kicks right now
Sorry can't help it; I'm a pimp right now
My new revenue thick right now
Or I'd have to come back and cook a brick right now

[Rah Digga]

Near none of y'all hoochies couldn't move me right now
Went from Gap to Guess to a Gucci right now
Gunnin for your title, why bother right now
Some of y'all more bitch than Puffy's driver right now (stop)
Digga can rock; watch me spit it for blocks
In between big screens like I'm Vivica Fox
Second album showing no mercy right now
We first since Eminem controversial right now

(Chorus)

[Kelis (Busta Rhymes)]
