

Busted, Britney

your face is everywhere i go now
and you're on every television show now,
Baby i need you
you're everything i want in someone,
but you don't even know who i am,
Baby why should you.

sweating all over your video,
watching every single scene in slow mo
Trackin' you down on the internet,
coz i ain't seen you naked yet...

I want you Britney.
i need you here with... me.
you know that i wont stop untill ive got you.
i want you Britney.

i even know the place that you live.
and i don't care who your boyfriend is,
cos one day it's gonna be me.
and i think that i'm obsessed with you girl.
cos i copy everythin you do now,
and pepsi let me taste you.

god must of spent a little more time on you,
in school uniform you look so good.
and you say that your not a girl,
i'll make you a woman.

I want you Britney.
i need you here with... me.
you know that i wont stop untill i've got you.
i want you Britney.

every single thing you do,
every time i look at you,
i become a slave for you,
you drive me crazy.
you know that i won't stop untill i've got you,
i want you Britney.

what the hell can i do,
to get closer to you.
you can run you can't hide
i'll make you feel good inside,
what the hell can i do
to get closer to you.
you can run you can't hide
i'll make you feel good inside...

I want you Britney.
i need you here with... me.
you know that i wont stop untill i've got you.
i want you Britney.

I want you Britney.
i need you here with... me.
you know that i wont stop untill i've got you.
i want you Britney.
