

# Butch Walker, Dont Move

written by Butch Walker

Good morning sunlight  
As I get used to you  
It's all gonna be all right  
I did all I can do  
And as I'm waiting for those eyes  
To say what's on your mind  
I finally think I've found the words to say...

So baby don't move at all  
Cause you're about to break my fall  
Stay where you are, staring at the stars  
Don't ever move at all

So many black and white  
Are made to be so blue  
We've all got our wars to fight  
But I won't fight with you  
If I could just get your attention  
I'd never let it go  
Until you've felt what I am gonna say....

So baby don't move at all  
Cause you're about to break my fall  
Stay where you are, staring at the stars  
Don't ever move at all

(Bridge)

Oh, why's it gotta be that everybody's gotta see the sadness  
Everybody's lonely, we don't have to be lonely  
Baby, no baby oh, I can move you like an earthquake  
Listen to me as my hands shake  
Cause I want you, I need you  
I can't live without you, baby

Baby don't move at all  
Cause you're about to break my fall  
Stay where you are, staring at the stars  
Don't ever move at all
