

Byrd Tracy, Love Lessons

Don't be afraid darling you can tell me
What it takes to make your world turn
If you're willing there's time
And if you're so inclined
Just give me a sign
I wanna take love lessons baby from you
Whatever it is you want I want to please you
I wanna take love lessons baby real slow
Teach me everything I need to know
Take my hand let's talk about us
Whisper soft what it is you're thinking of
I wanna hold you tight
Won't you show me how tonight
Let's turn down the lights
I wanna take love lessons baby from you
Whatever it is you want I want to please you
I wanna take love lessons baby real slow
Teach me everything I need to know
Teach me everything I need to know
