

C-Murder, Interlude

[Soulja Slim]

please baby look in my eye
look in my eye
and let me put my dick in your mouth
dick in your mouth

like your shy
and let me bust a nut in your eye

please baby look in my eye
look in my eye
and let me put my dick in your mouth
dick in your mouth
girl, please don't you act like your shy
like your shy
and let me bust a nut in your eye
