

# C Z A R I N A, Medusa

Moving thru the sands of time  
Some stories ancient and divine  
Concealing truths from our sight  
Waking at the end of a long night

'Cuz I'm the predator  
I'm the predator

Alpha et Omega

They may look the other way  
Pay no heed to what I have to say  
We're awakened in the end  
With time passing by  
The truth survives all the lies  
From beginning and the end

Alpha et Omega

'Cuz I'm the predator  
I'm the predator
