

# Cadaverous Condition, Marian

[Originally performed by Sisters Of Mercy]

In a sea of faces, in a sea of doubt  
In this cruel place your voice above the maelstrom  
In the wake of this ship of fools I'm falling further down  
If you can see me, Marian, reach out and take me home...

I hear you calling Marian  
Across the water, across the wave  
I hear you calling Marian  
Can you hear me calling you to  
Save me, save me, save me from the  
Grave...  
Marian

Marian, there's a weight above me  
And the pressure is all too strong  
To breathe deep  
Breathe long and hard  
To take the water down and go to sleep  
To sink still further  
Beneath the fatal wave  
Marian I think I'm drowning  
This sea is killing me

Was ich kann und was ich konnte (What I can do and what I could do)  
Weiss ich gar nicht mehr (I just don't know anymore)  
Gib mir wieder etwas schones (Give me something beautiful again)  
Zieh mich aus dem meer (Drag me from the sea)  
Ich hore dich rufen Marian (I hear you calling Marian)  
Kannst du mich schreien horen (Can you hear me calling?)  
Ich bin hier allien (I am here alone)  
Ich hore dich rufen Marian (I hear you calling Marian)  
Ohne diene hilfe verliere ich mich in diessem ort (Without your help I am lost  
in this place)
