

# Cage The Elephant, Come A Little Closer

Time shakes, found you at the water  
At first you were my father, now I love you like a brother  
Earthquakes shake the dust behind you  
This world at times will blind you  
Still I know I'll see you there

Come a little closer, then you'll see  
Come on, come on, come on  
Things aren't always what they seem to be  
Come on, come on, come on  
Do you understand the things that you would see here  
Come on, come on, come on  
Do you understand the things that you've been dreaming  
Come a little closer, then you'll see

Heartbreaks, the heavy world's upon your shoulders  
Will we burn or we just smolder  
Somehow I know I'll find you there  
Oooh, I wanna see if you can change it, change it  
Still I know I'll see you there

Come a little closer, then you'll see  
Come on, come on, come on  
Things aren't always what they seem to be  
Come on, come on, come on  
Do you understand the things that you would see here  
Come on, come on, come on  
Do you understand the things that you've been dreaming  
Come a little closer, then you'll see  
Come a little closer, then you'll see

Ten thousand people stand alone now  
And in the evening the sun sets  
Tomorrow it will rise  
Time flies by, they all sang along  
Time flies by, they all sang along  
Time flies by, they all sang along  
Time flies - bye, bye

Come a little closer, then you'll see  
Come on, come on, come on  
Come a little closer, then you'll see  
Come a little closer, then you'll see  
Come a little closer, then you'll see
