

# Calum Scott, Rise

I've been staring at the coast line  
Thinkin of every choice I've made  
to lead me here right now  
Standing on solid ground  
I've been hiding in shadows  
Wondering if I'm on the riight road  
Someplace ive never been  
Is this how it all begin

I've got  
my best suit on and I'm ready  
I've got my sleeves rolled up  
And Ill be I'm on my way  
While my hearts thumpin  
You gonna see me rise

For every valley  
There's a moountain  
For every answer there's a new question  
Is it wiorth all of this  
Pushing my self to the Edge?  
Cause we're looking dfoe a reason  
Foe a shelter fgrom tat storm woiythn  
Just keep your eyes ahead  
And dust yourself off again

I've got  
my best suit on and I'm ready  
I've got my sleeves rolled up  
And Ill be I'm on my way  
While my hearts thumpin  
You gonna see me rise

You gonna see me rise  
You gonna see me rise  
Not how you fall back down  
But how you get back up  
Before you hit the ground  
You gonna see me rise
