

Calvin Harris, Dua Lipa, One Kiss

[Chorus]

One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need

[Verse 1]

Let me take the night, I love real easy
And I know that you'll still wanna see me
On the sunday morning, music real loud
Let me love you while the moon is still out

[Pre-Chorus]

Something in you , lit up heaven in me
The feeling won't let me sleep
'Cause I'm lost in the way you move, the way you feel

[Chorus]

One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need
One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need

[Post-Chorus]

One
One
One
One

[Verse 2]

I just wanna feel your skin on mine
Feel your eyes do the exploring
Passion in the message when you smile
Take my time

[Pre-Chorus]

Something in you lit up heaven in me
The feeling won't let me sleep
'Cause I'm lost in the way you move, the way you feel

[Chorus]

One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need
One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need

[Post-Chorus]

One
One
One
One

[Bridge]

See a wonderland in your eyes
Might need your company tonight

[Pre-Chorus]

Something in you lit up heaven in me

The feeling won't let me sleep

'Cause I'm lost in the way you move, the way you feel

[Chorus]

One kiss is all it takes

Fallin' in love with me

Possibilities

I look like all you need

One kiss is all it takes

Fallin' in love with me

Possibilities

I look like all you need

[Post-Chorus]

One

One

One
