

# Calvin Harris, Feels (ft. Pharrell, Katy Perry & Big Sean)

[Verse 1: Pharrell Williams]

Hey!

Well nothing ever last forever, no  
One minute you're here and the next you're gone  
So I respect you, wanna take it slow  
I need a mental receipt to know this moment I owe

[Pre-Chorus: Pharrell Williams]

Do you mind if I steal a kiss? (Chop, chop)  
A little souvenir, can I steal it from you?  
To memorize the way you shock me  
The way you move it here (Hey)  
Just wanna feel it from you (Hey)

[Chorus: Katy Perry]

Don't be afraid to catch feels  
Ride drop top and chase thrills (Hey)  
I know you ain't afraid to pop pills (Hey)  
Baby, I know you ain't scared to catch feels  
Feels with me

[Verse 2: Pharrell Williams]

I'm your window shopper, sucker for your love, oh  
I'm wearing your goggles, virtual reality  
It ain't what it cost you, it might be a dollar  
As long as it shocks you, memory, electricity

[Pre-Chorus: Pharrell Williams]

Do you mind if I steal a kiss? (Chop, chop)  
A little souvenir, can I steal it from you? (Oh, yeah)  
To memorize the way you shock me (Zap)  
The way you move it here (Hey)  
Just wanna feel it from you (Hey)

[Chorus: Katy Perry]

Don't be afraid to catch feels (Ha)  
Ride drop top and chase thrills (Oh-oh-oh, oh)  
I know you ain't afraid to pop pills (Hey)  
Baby, I know you ain't scared to catch feels (Straight up)  
Feels with me (Woah)

[Verse 3: Big Sean]

Goddamn, I know you love to make an entrance  
Do you like getting paid or getting paid attention?  
You mixed the wrong guys with the right intentions  
In the same bed, but it still feel long distance  
She's looking for a little more consistency  
But when you stop looking you gon' find what's meant to be  
And honestly, I'm way too done with the hoes  
I cut off all my exes for your x and o's  
I feel my old flings was just preparing me  
When I say I want you, say it back, parakeet  
Fly in first-class through the air, Airbnb  
I'm the best you had, you just be comparing me to me  
I'ma 'at' this at you, if I put you on my phone  
And upload it, it'll get maximum views  
I came through in the clutch with the lipsticks and phones  
Wear your fave cologne just to get you alone

[Chorus: Katy Perry & Big Sean]

Don't be afraid to catch feels  
Don't be afraid to catch these feels  
Ride drop top and chase thrills (Yeah)  
I know you ain't afraid about this (I know)

Baby, I know you ain't scared to catch feels  
Woah, woah, woah  
Feels with me  
Don't be afraid to catch feels (No, no)  
Don't be afraid, baby  
Ride drop top and chase thrills (Woah, okay)  
I know you ain't afraid to pop pills  
I know, I know, I know, I know  
Baby, I know you ain't scared to catch feels  
Feels with me
