

Calvin Harris, I

Can you stay up for the weekend
And blame god for looking too old
Can find all that you stand for
has been replaced with mountains of gold
You cannot dream yourself to notice
To feel pain and swallow fear
But can you stay up for the weekend for next year
God I cant do this any more
Though ill be laid down on the floor
As many feet walk through the door
Im not alone
If I see a light flashing
Could this mean that Im coming home
If I see a man waving
Does this mean that Im not alone
(repeat)
music
If I see a light flashing
Could this mean that Im coming home
If I see a man waving
Does this mean that Im not alone
(repeat)
