Calvin Harris, I

Can you stay up for the weekend And blame god for looking too old Can find all that you stand for has been replaced with mountains of gold You cannot dream yourself to notice To feel pain and swallow fear But can you stay up for the weekend for next year God I cant do this any more Though ill be laid down on the floor As many feet walk through the door Im not alone If I see a light flashing Could this mean that Im coming home If I see a man waving Does this mean that Im not alone (repeat) music If I see a light flashing Could this mean that Im coming home If I see a man waving Does this mean that Im not alone (repeat)
