

Calvin Harris, I Created Disco

Would you just like to tell us
How you began creating disco?

It was the mid '70s.
I was a virtually unknown producer at the time
and I was conducting various sonic experiments
with the assistance of Mary, my wife.

Anyway, during one session I discovered that
by using a succession of techniques
I actually developed during the war,
I could create an entirely new genre of music.
And that was the night I created disco.

I created disco

Would you just like to tell us
How you began creating
Disco,disco,disco,disco,disco?
